Christmas drinks will be at the Matcham’s house on December 14<sup>th</sup> from 6.30 to 7:00pm Dave Hemmings will email out a reminder.

Club website – Up and running, with shack booking to be added to the web site. Commendation and thanks to P Murphy for his efforts in developing the web site.

Macquarie trip – Approximately 9 members attended . Fishing was challenging for most and the water level in the river was very disappointing, being much lower than anticipated after the recent rain and floods. The weather was good and a great time was had with a plentiful supply of food and wine. Two members were very privileged to be able to experience drift boat fishing in Dave Hemmings drift boat.

**Meeting closed 8.25pm**

General “round robin” with the highlight being Lucy’s description of catching a 5lb rainbow from the Russell River

The meeting was followed by a fly tying demonstration on emerger patterns by John Spencer.
