Notice of meeting

The next General Meeting will be held at the Lenah Valley RSL (188 Lenah Valley Road) on February 15th starting at 8.00pm. This venue is being considered as an alternative to the Black Buffalo.

Advantages are seen as:

- Open for meetings e.g. day time fly tying at any time.
- Excellent meeting room and bar facilities available Mondays.
- Free
- Parking for 40 cars.
- Big room, high ceilings.
- Park across road for casting.

There is lock-up storage available and while "The Cabinet" can not be housed a smaller mobile unit could be constructed to house Library and items required for meetings.

The March meeting will be held at the Black Buffalo and changing venues will be discussed then. The committee would therefore like as many members as possible to see the Lenah Valley RSL on February 15th.

Club Website

It is encouraging to see that the Members Area has received 75 hits during January. Hopefully a few more of you will start using the Fishing Forum. You don't need to be specific about locations, but general information about how and where fish are being caught is helpful to other members.

Secretary

I will be away from February 16th until April 6th. John Spencer has kindly agreed to be acting Secretary during this time. jspencer2@bigpond.com
