August 2012

Annual General Meeting

28 members attended an enjoyable dinner prior to the meeting.

The new committee is:

President: Malcolm Crosse
Vice President: Tim Munro
Treasurer: Andrew Blackwood
Secretary: Peter Murphy
Committee Members: Tim Lewis, Guy Nicholson, John Smith

Outgoing President David Hemmings presented the Johnny Walker Clubman of the Year trophy to Lyndon Cubbins for his work at the Miena shack and for again organising the Tiger Hut weekend.

On behalf of members, Tony Dell thanked David for his excellent efforts during his four years as President.

The AGM was followed by a general meeting featuring Neil Morrow from the IFS as guest speaker. Neil spoke about the Anglers Access Program and its success in securing access to over 150 kms of river banks, as well as foot access to Lake Fergus.

John Fowler Trophy

Following discussions at the July general meeting the committee has decided to hold the trophy event at the December Snowy Ranges day. The format is yet to be determined and we are open to suggestions.

Activities Program

The new program is included with this correspondence and is also on the website. Note that two trips need leaders. The first of these is the Woods Lake trip in September, so please consider offering your services.

The Vice

Doug Miller recently produced an excellent winter issue. The deadline for items for the spring issue is October 15th – plenty of time to come up with something. The best article will get a \$30 voucher thanks to the generosity Spot On – isn't it time you contributed?
