

Tasmanian Fly Tyers' Club

Member Profiles

To help members get to know each other the committee has established a section on the website which contains some brief information on, and a photo of, each member. Please send a recognisable 'mugshot'. Initially we are asking new members to provide this information when they join, then we will progressively extend it to all members.

Member information – *this will be condensed to about 150 words on the website*

Please provide brief answers to the following questions:

1. When did you join the club?
2. What is your reason for joining, and what do you hope to gain from the club?
3. How long have you been a fly tyer?
4. What are your favourite fly patterns?
5. What is your favourite type of fly fishing?
6. Anything else you would like to add?

Please attach a digital photo of yourself and return this form by email to the secretary clubsecretary@tasmanianflytyersclub.org
