Ian Stokes the Farm Dams fished fairly hard at Denistoun. Brickfields saw many small perch caught, not many rainbows.

Steve Butler said the Weasel Plains was cold and wet, they were bogged in and not freed until Sunday.

The fishing was great, not huge numbers but they were in excellent condition. Fish were also caught out in the creek. Steve suggested that the Farms Dams should be split into 2 events, Weasel Plains and Denistoun, this was agreed to. Steve thanked those that helped with the event. About 30 attended the event.
